dashmount™

Sony Radio

Visteon Screen

1. Using the four radio tools, remove the Sony/Ford 6000 radio or Visteon screen.
2. Remove the torx screw securing the framework to the left of the radio.
3. Position the bracket arm BEHIND this trim and refit the screw.
4. Refit the radio/screen.

Co-Star/Dashmount will not be liable for any damage caused to a vehicle in executing the fitting of the bracket
