

Environmental Policy

Co-Star seeks excellence in every aspect of our business and is committed to minimising the environmental impacts of our business operations and maintaining the firm's resilience to environmental risks and impacts.

Our commitment is to:

- Continuously improve our environmental performance and to integrate recognised environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Measure and take action to reduce the carbon footprint of our business activities to meet our published objectives and targets.
- Manage waste generated from our business operations incorporating reduction, re-use and recycling.
- Manage our business operations to prevent pollution.
- Ensure environmental, including climate change, criteria are taken into account in the procurement of goods and services.

To meet our commitments, we will:

- Review our environmental policies and performance at least annually.
- Communicate the importance of environmental issues to our staff.
- Work together with our Staff, Customers and Suppliers to promote improved environmental Performance.
- Promote appropriate consideration of sustainability and environmental issues in the services we provide to our Customers.

This environmental policy represents our position on environmental issues and the policies and practices we will apply in conducting our business.
